

Enhance Social Enterprise Programme

Somerset Development Programme

The School for Social Entrepreneurs Dartington

Applications are now open for The School for Social Entrepreneurs Dartington's Somerset Development Programme. This is a fully funded Programme for established social enterprises looking to grow and will be held in Taunton on four days over three months from 19 June 2019. The Programme will provide an opportunity to meet other social entrepreneurs in the area. For more information about the Programme and to download an application form, visit the Dartington School for Social Entrepreneurs website:

Purposeful Business: Balancing Profit and Principles

Real Ideas Organisation

Are you trying to understand the impact and implications of shifting business trends and stay ahead of the game? Are you looking for sustainable approaches to improving positivity and productivity in your business? This exclusive one-day workshop, hosted by the Real Ideas Organisation, will bring together practical activities, inspiration from guest speakers, and experts in ethical business to help you learn, debate and create a purpose-driven model that works for you. This workshop will be run on **16 May** and **23 May** from 8:15am – 2:00pm, with an optional additional 1-to-1 workshop from 2:00pm – 4:00pm at the Red Brick Building, Glastonbury and will include a free breakfast and lunch. Register here:

Growth Support Programme

Businesses who meet eligibility criteria can benefit from free business support and advice from the ERDF-funded Growth Support Programme. Devon and Somerset businesses wishing to grow or expand are offered an initial 3-hour diagnostic with an experienced business advisor. If a need for further support is identified, businesses will be offered the opportunity to commit to a further 9-hour support package, from a variety of topics including:

- Digital Marketing
- Innovation
- Finance
- HR
- Business Planning.

Support is provided through a mixture of 1-2-1 sessions and group workshops. Register online at the link below or call the Growth Hub to learn more.
