

## Kerbside garden waste collections in Somerset

Optional fortnightly garden waste collections are available for a subsidised fee using either a wheeled bin or compostable sacks. To order, please see our website or contact your district council.

Garden waste is only collected if contained inside the sacks or the wheeled bin with lid closed.

Put garden waste containers where they can be easily seen, on the edge of your property (without obstructing the pavement or road) by 7am on collection days and no earlier than the night before.

✓	Taken in garden waste collection	✗	No thanks
<ul style="list-style-type: none"> <li>• Flowers and plants</li> <li>• Weeds</li> <li>• Grass cuttings</li> <li>• Leaves and bark</li> <li>• Hedge prunings</li> <li>• Branches less than 10cm/4" in diameter</li> <li>• Straw or sawdust (if bedding material, only from vegetarian animals, such as rabbits, but not micro-pigs or racing pigeons).</li> </ul>	<ul style="list-style-type: none"> <li>• Plastic (including bags), metal or glass</li> <li>• Food or food waste</li> <li>• Soil, turf or compost</li> <li>• Stone or rubble</li> <li>• Materials infected with Ash dieback, Japanese Knotweed or Common Ragwort</li> <li>• Treated wood</li> <li>• Wood over 10cm/4" in diameter</li> <li>• Plant pots</li> <li>• Pet litter, dog or cat waste</li> <li>• Dead animals</li> <li>• Vacuum cleaner contents</li> <li>• Nappies</li> <li>• Other household waste</li> </ul>
